Contestación a la Pregunta Escrita P.E./0910619, formulada por D. Fernando Pablos Romo y D.ª Mercedes Martín Juárez, Procuradores pertenecientes al Grupo Parlamentario Socialista de las Cortes de Castilla y León relativa a plazas MIR.

La acreditación de centros o unidades docentes para la formación especializada y su capacidad docente corresponde al Ministerio de Sanidad, Consumo y Bienestar Social, de acuerdo con lo establecido en la Ley 44/2003, de 21 de noviembre, de Ordenación de las Profesiones Sanitarias. Corresponde también al Ministerio realizar la oferta anual de plazas MIR para la formación de especialistas. En esa oferta se tienen en cuenta los informes de las Comisiones Nacionales de cada especialidad, los correspondientes de las Comunidades Autónomas así como los estudios sobre necesidades de profesionales en las distintas especialidades.

Se adjunta tabla con la información solicitada sobre plazas de formación MIR acreditadas –habilitadas– en los hospitales de Castilla y León, no ofertadas entre los años 2008 y 2018, por año y especialidad.

Por otra parte, los programas de gestión de personal no incluyen la información relativa a dónde han realizado su formación los facultativos especialistas, información que consta en su expediente individual.

Valladolid, 26 de diciembre de 2018.

EL CONSEJERO,

Fdo.: Antonio María Sáez Aguado.
